

Fakhi Youssef | FULL STACK DEVELOPER

+212601288156 | @youssef.fakhi.dev@gmail.com | YoussefFakhi
Youssef Fakhi | youssef-fakhi.netlify.app | Casablanca

Profile

From idea to deployment: I turn complex business requirements into robust, production-ready web applications, using both Laravel/Vue and React/Node. Self-driven and results-oriented, I'm looking to join a technical team working on high-impact projects.

Professional Experience

Full-Stack Developer February 2026 - Present
LegalPlus, Casablanca, Morocco

- Designed the company website and SEO strategy (sitemap, structured data, Core Web Vitals) to strengthen the platform's visibility and user acquisition.
- Built the client onboarding flow and key features of the admin dashboard (company/case management, user creation).
- Redesigned the UI with multi-theme support (dark mode, responsive, FR/AR/EN) and unified error handling, improving the experience across the platform.

Technologies : Laravel, PHP, Vue 3, TypeScript, Inertia.js , Tailwind CSS, PostgreSQL, Git, WordPress, SEO

Full-Stack Developer (Intern) July 2025 - November 2025
Ark-x Talent Solutions, Casablanca, Morocco

- Developed responsive web applications using the MERN stack.
- Built reusable components and managed APIs to improve scalability.
- Improved application performance and efficiency through code optimization.

Technologies : React.js, Node.js, Express.js, MongoDB, Git, Agile

Full-Stack Developer (Intern) April 2025 - May 2025
Tasmim Web Startup - Casablanca, Morocco

- Developed front-end and back-end features to improve website performance.
- Optimized form processing and improved the user experience.
- Collaborated with the team while adhering to coding standards.

Technologies : Laravel, PHP, MySQL, JavaScript, HTML, CSS

Projects

TechSwap - IT Skill-Exchange Platform - React, Node.js, WebRTC, Socket.IO, JWT
Real-time skill exchanges, built-in video sessions, professional screen sharing, secure payments.

Video Game E-commerce Platform – React, Context API, CSS
Smooth online store, reusable components, optimized cart management.

Admin Request Portal - Laravel, MySQL, Blade
Simplified digital workflow, secure forms, fast PDF export.

Skills

- Technical:** JavaScript (ES6+), TypeScript, PHP, HTML5, CSS3, Tailwind CSS, React.js, Vue 3, Redux, Node.js, Express.js, Laravel, Inertia.js, MongoDB, MySQL, PostgreSQL, Git, GitHub, WordPress, SEO, Postman, Jira, Notion
- Soft Skills:** Teamwork, problem-solving, self-motivation, time management, organization
